

GIRL SCOUTS

ST. JEROME CATHOLIC CHURCH
IGLESIA CATÓLICA DE SAN JERÓNIMO

What we do

We offer every girl, from Kindergarten through High School, an opportunity to develop new insights into herself, her friends, her parents and the world around her. By joining taking an active role in the Girl Scouts, she will have an opportunity to serve both her Church and her community through practical projects and thus take a giant step toward becoming a good citizen.

How often we meet

Meetings for elementary, junior high and high school scouts will be as announced.

Time commitment other than meetings

Girl Scouts in grades 2 - 12 have an opportunity to work on the religion program sponsored by the Diocesan Committee on Girl Scouting.
