

GREETERS

ST. JEROME CATHOLIC CHURCH
IGLESIA CATÓLICA DE SAN JERÓNIMO

What we do

We cordially meet and greet worshipers at the doors of the church before each weekend Mass, especially children and the elderly, to welcome them and make them feel at home before the liturgy begins. We also assist those who may need special help or information. Most of the greeters attend Mass on a regular schedule; but if not, just wear your badge and greet at the Masses you do attend.

How often we meet

We have no meetings; you greet only at the weekend Mass you go to.

Time commitment other than meetings

You should be at your station in church about 20 minutes before Mass .
