

USHERS

ST. JEROME CATHOLIC CHURCH
IGLESIA CATÓLICA DE SAN JERÓNIMO

What we do

The ushers' duties include acknowledging people as they enter the worship space, locating seats for late-comers or when the service is crowded, escorting families with crying children to the cry-room, preparing the procession for presentation of the gifts, collecting the offering, maintaining an orderly communion procession and distributing bulletins after Mass. In addition, each Mass team straightens the mis-salettes and songbooks after the service, and generally tidies up the church for the next Mass.

How often we meet

There are no regular meetings of the ushers, although special meetings may be called once or twice a year.

Time commitment other than meetings

Each usher is part of a Mass team, which is generally responsible for two or three Masses each month.
